

Security Scan Authorization Letter

My signature below indicates I have read and agree to AlertSite's service agreement and am authorized to permit security vulnerability scanning of the device named

found at the following IP address _____.

Please select the checkbox that most accurately describes your online environment:

- our server and infrastructure are located at our own facilities
- our servers are hosted on a server used only for our company in a hosting facility (dedicated hosting)
- our servers are hosted on a server with other hosting customer (shared hosting)

Additionally, if the computer system or device to be scanned by AlertSite is owned by a third party, then I agree to do the following:

- a. obtain a signed consent from the third party owner authorizing AlertSite's vulnerability security scan of their computer system and their acceptance of the terms and conditions of this Agreement (the "Third Party Consents");
- b. obtain and ensure the third party's compliance with all of AlertSite's requests for information;
- c. immediately inform AlertSite of any change in ownership of any computer system identified by the IP addresses provided to AlertSite by you for the vulnerability security scan; and
- d. be solely responsible for communicating any risks, exposures, and vulnerabilities uncovered on the scanned computer systems to the third party, and ensure that the third takes all appropriate actions.
